*Perspective:*

Matthew; Mark; Luke; and John all record His resurrection from the dead!

Every other major or minor religion derives its existence from the teachings or purported revelations of its founders. There is only one faith that claims validity because of an act of its Founder. Only Christianity has a risen Lord. All the other religious leaders are dead. Jesus' resurrection validates all His teachings and the claims He made of Himself.

The story of Jesus comes down to this: Did He rise again from the dead? The disciples were certainly in no frame of mind to steal the body from a guarded tomb and then suffer and die for a concocted lie. The opposition did not steal the body or they would have produced the corpse when the disciples started preaching the resurrection.

There is only one answer that makes sense. Jesus rose again on the third day, as He had promised! He thereby demonstrated that everything He taught, everything He said about Himself was true. The great news is that His resurrection is not limited to Himself. When we die, we have the assurance that we, too, will be raised from the dead at His coming. His good news is our good news!

Sincerely,

*Kenny and Faye McCoy*
