## God is Eternal.

### 1. Our Eternal God Meets Us Where We Are. (Ex 3:1-6)

How can you relate to the way Moses must have felt about himself, his past, or his future?

How has God revealed himself to you in an unexpected way?

### 2. The Eternal God Sees Our Pain. (Ex 3:7-11)

God doesn't miss a thing. He may be eternal, but He is also present—here and now!

Why do we sometimes struggle to believe God sees and cares about us?

Can you think of a time when you knew God heard your cry?  
How did you know?

### 3. The Eternal God Acts on Our Behalf. (Ex 3:12–15)

How has God used another person in your life to bring healing and hope?

How would you explain the eternal nature of God to someone else?

### Let's reflect on the idea that God Is Eternal:

How is the thought of spending eternity with God most exciting to you?

How does remembering that God is eternal comfort you in difficult times?

God used Moses in a powerful way in others' lives. Who is someone in your life who could use your attention or spiritual help and direction? \_\_\_\_\_
