Perspective:
Thanksgiving!

In 1620, a group of 102 men, women, and children spent 66 days on a ship called the Mayflower crossing the Atlantic Ocean and landing on what is now Cape Cod, Massachusetts.

They were Puritans—English Separatists—who were seeking religious freedom in the New World. After a harrowing first winter, the surviving Puritans (now called Pilgrims) gathered for a harvest celebration with 90 Native Americans of the Wampanoag people in the fall of 1621—the celebration we now know as Thanksgiving.

We are reminded every year of the price our forefathers paid to secure the right to worship freely—a right that we too often take for granted today.

As we gather with friends and family for our Thanksgiving celebrations this month, may we remember to thank God for our freedom to worship. The blessing of freedom is just a starting point for giving thanks.
