"A new thing!"

Sunday AM
How Can I Experience God's Power? Pt 3

Sunday PM
No Evening Service This Week

Wednesday
Prayer during lunch time 11 a.m.- 1 p.m. in the Sanctuary

When we need healing, we should run to God first. The helpful knowledge, wisdom, and skill of doctors and nurses are all gifts from God. We can be thankful for those in the health care profession and all they do! But sometimes the sickness, disease, or condition is beyond medical intervention, and our only option is a miraculous healing.

Everyone is welcome to join Kirk at 7pm sharp each evening Mon-Sat for a 30–45-minutes remote video devotion. For additional info please see Kirk.

Bible study at Bob & Mary's house each Thursday 11:30am – 1pm.

We are blessed to have little ones in the nursery during worship service…if you are interested in serving in that department, please see Pastor or Faye.

*****Not sure what to do for Thanksgiving? Please sign up & join us in the FH for Dinner beginning at 2PM!**

"Forget the former things…I am doing a new thing!" Isaiah 43:18-19

I Go to *God* for *Healing*.

John 14:12 NKJV - **"Most assuredly, I say to you, he who believes in Me, the works that I do he will do also…"**

When you need advice, who do you turn to and why?

1. Go to God, *Believing* for *Others*. 2 Kings 5:1–3

What does it look like to go to God, believing for others?

What excuses keep people from believing for others to be healed?

2. Go to God, *Surrendering Lesser Hopes*. 2 Kings 5:4–8

What are some examples of things people trust in more than they trust God?

How have you found Jesus to be more than all other hopes?

How would you explain the hope you have in Jesus to someone who doesn't know Him?

3. Go to God, *Trusting* His *Will* and His *Ways*. 2 Kings 5:9–14

Why is it so difficult to trust God's will and ways?

What is the problem with approaching God with our demands and deadlines?

When you reflect on your life, what have you learned about trusting God's timing?

Let's take a moment and reflect on I Go to God for Healing…What type of healing (physical, emotional, relational, or mental) are you going to God for in this season of your life?

On Thanksgiving…We are reminded every year of the price our forefathers paid to secure the right to worship freely—a right that we too often take for granted today.

Thank God for freedom to worship Him!
